

Ban on Xenotransplants

We should spend our energies on safer alternatives such as promoting preventive medicine and increasing human organ donor rates

36463429999AUGHHS-92P0404

I would appreciate a response from you to the specifics I have raised herein
Thank you

Patricia Wersaw

Dear Sir, (ocket #99) 8-1-95
Please ban xenotransplants because
of the threat of inter-species virus
transmission.

Using pigs for these transplants are
not any safer than other non-human
transplants. Pig viruses are just as
dangerous.

Interestingly, the council of Europe
recommended at world wide
